Carbonate (Como)
10/01/2023

Object: ***DIRECTIVE 2015/863/EU – RoHS3*** **(see product list in RPE portal – http:// www.rpesrl.it)**

Dear Customer,

on behalf of the Company R.P.E. SrL inform you that our products are compliant with Directive 2015/863 as they are not intentionally added ingredients such as lead, cadmium, mercury, hexavalent chromium, PBB (polybrominated biphenyls, "Polybrominated Biphenyls") and PBDE (polybrominated diphenyl ether, "Polybrominated Diphenylethers"), phthalates [bis(2-ethylhexyl) phtlalate (DEPH); butyl benzyl phthalate (BBP); dibutyl phthalate (DBP); diisobutyl phthalate (DIPB)].
Trace of heavy metals that may be present in certain articles made from these materials are supplied less than 0,01% (cadmium) and 0,1% (lead, mercury and hexavalent chromium) in accordance with Eutopean Directive 2000/53/EC, Annex II (Commission decision of 27/06/02 – 2002/525/EC).
RPE also undertakes to keep abreast of the future developments, amendments and integration to the ROHS Directive and guarantee that the PRODUCTS will always be in conformity with its requirements up to the delivery date.

At your disposal for any information we send.

Best regards

R.P.E. s.r.l.
CEO
Filippo Ravazzani
