Object: **PFAS declaration**

RPE declares that, according to its current state of knowledge, no PFAS is intentionally added to RPE's products, with the exclusion of the products containing components made of fluoropolymers. Fluoropolymers are not PFOA or PFOS or other long-chain PFAS, nor can they transform to those substances in the environment.

This declaration is based on the information collected along the supply chain, and not supported by specific test report or specific laboratory analysis.

Best regards
