EU DECLARATION OF CONFORMITY

RPE SRL company, based in Italy, via S. Ambrogio 3, 22070 Carbonate (CO),

Declares

That its product solenoid valve Serie named **800D SERIE** are designed and made in compliance with the applicable harmonized European directive:

Low Voltage Directive 2014/35/EU

And the relevant applicable technical standards such as:

- **EN 60730-1** Automatic electrical controls for household and similar use - Part 1: General requirements
- **EN 60730-2-8** Particular requirements for electrically operated water valves, including mechanical requirements
- **EN 60335-1** Household and similar electrical appliances - Safety - Part 1: General requirements

Considered the above and that the product does fall within the scope of the sectoral directives, then the product bears **CE marking**.

RPE is responsible for the declaration and for the conformity of the product as a single component; please consider we do not grant any conformity on the component installed into a machine, for which the conformity must be taken into account by the end user.
