RPE V4

the media-separated valve that has it all

LEADER IN FLUID MANAGEMENT CONTROL

Media-separated

Universal media compatibility:

Coffee

Tea

Milk

Water

Cleaning
agents

Aggressive
products

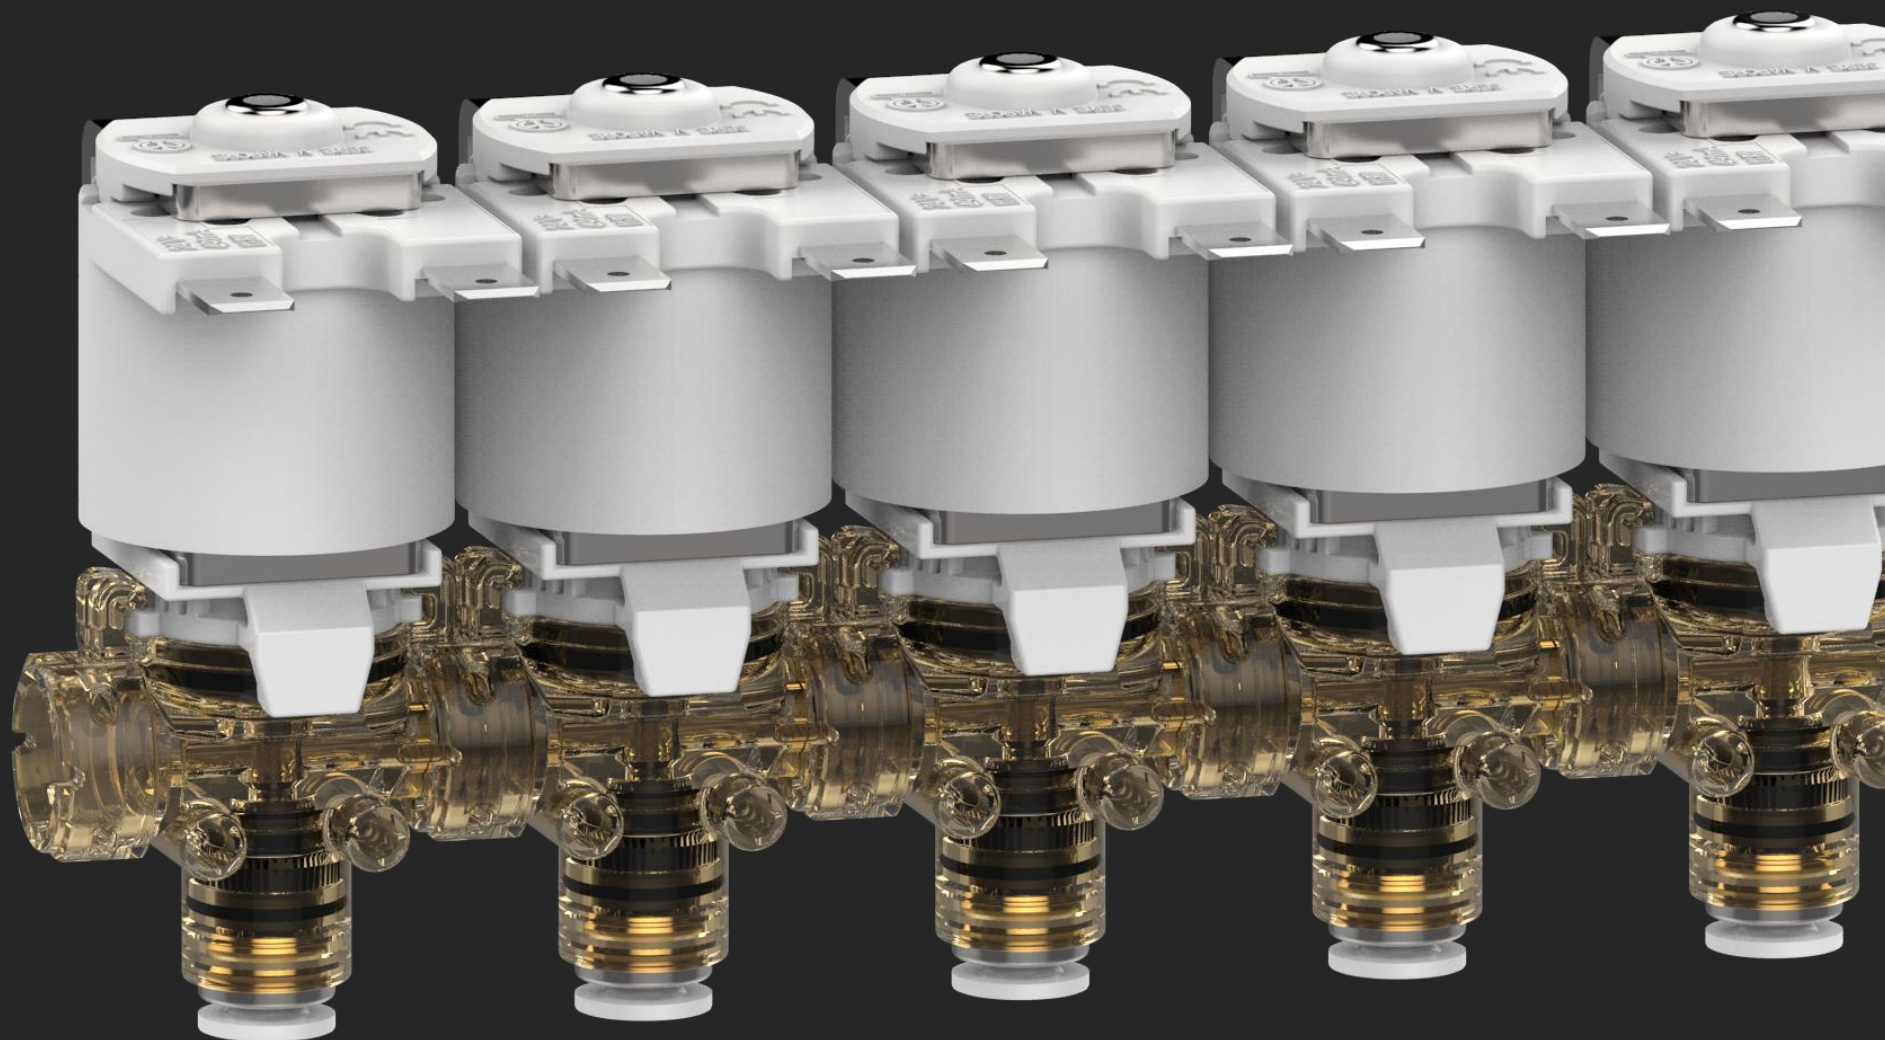

Media-separated

Interlinkable

Connect
all
the valves
you need

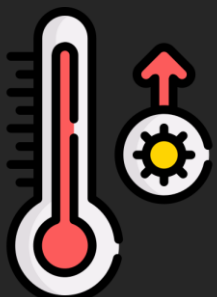

Media-separated

Interlinkable

Powerful

Withstands temperatures:
1-140°C

High operating pressure up to
15
bar

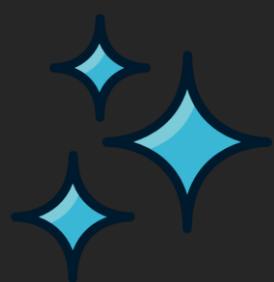

Media-separated

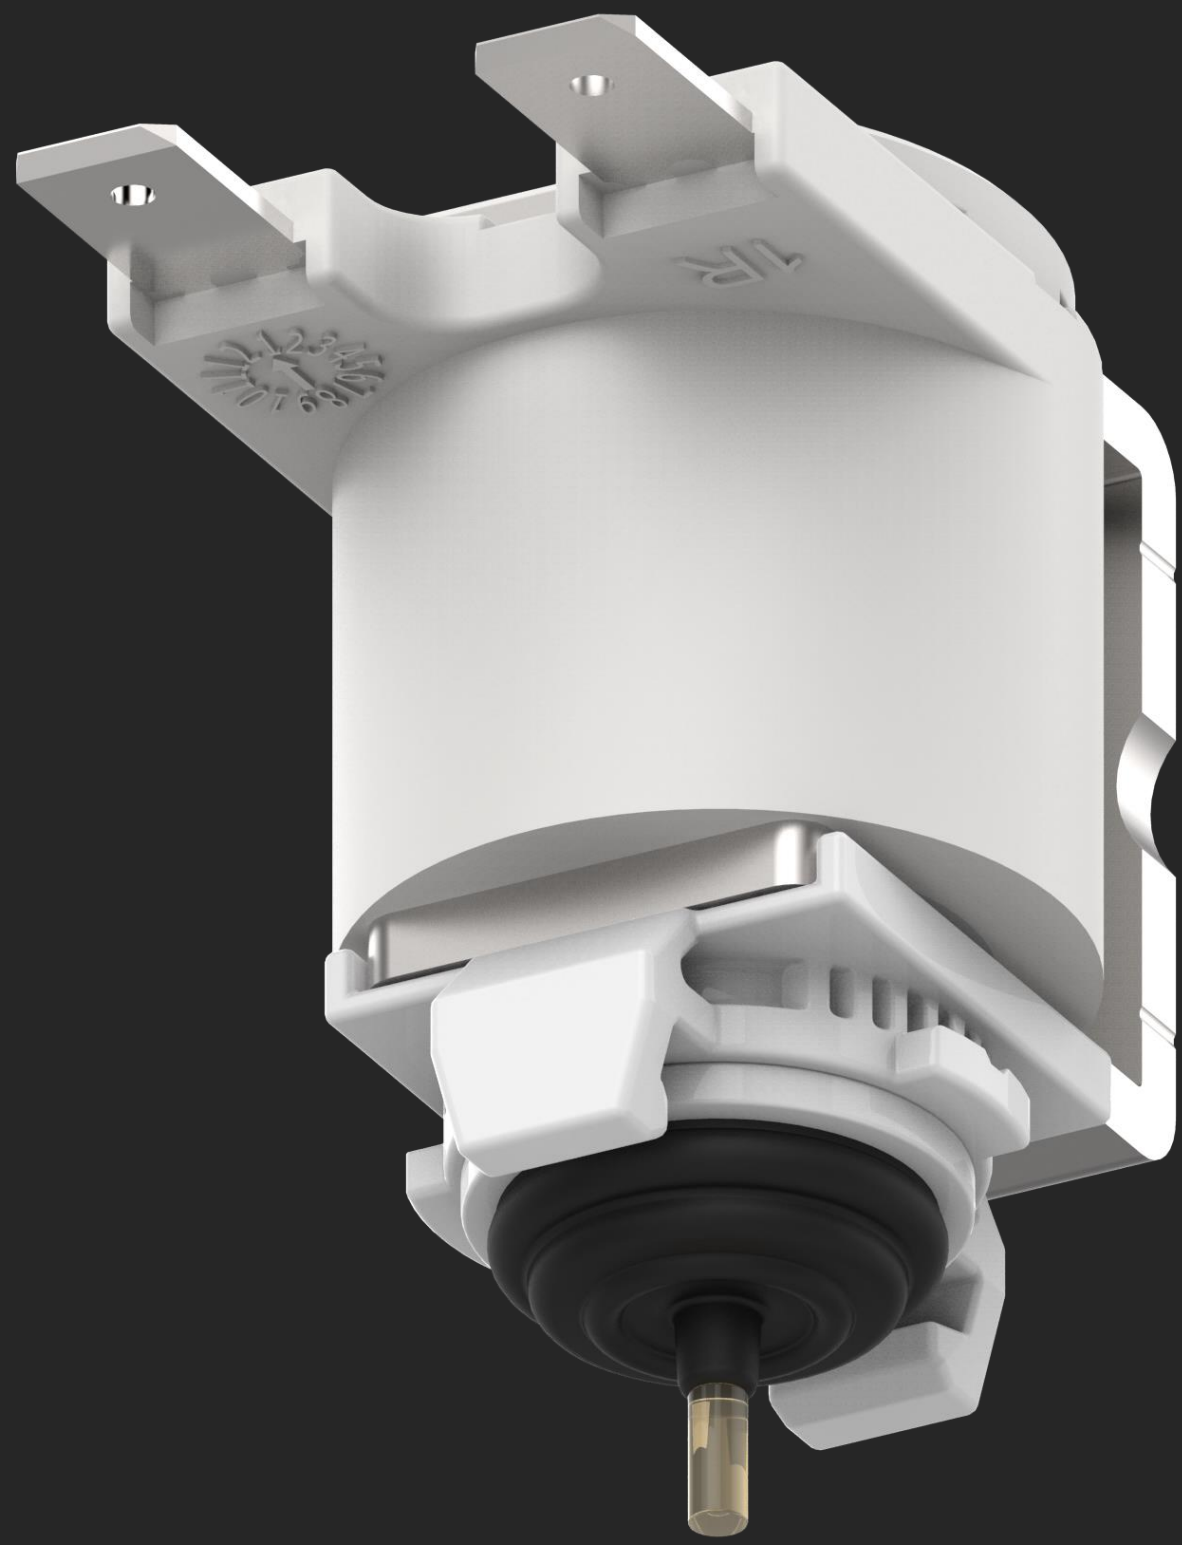

Interlinkable

Powerful

Self-cleaning

Self-cleaning system

Media-separated

Interlinkable

Powerful

Self-cleaning

Durable

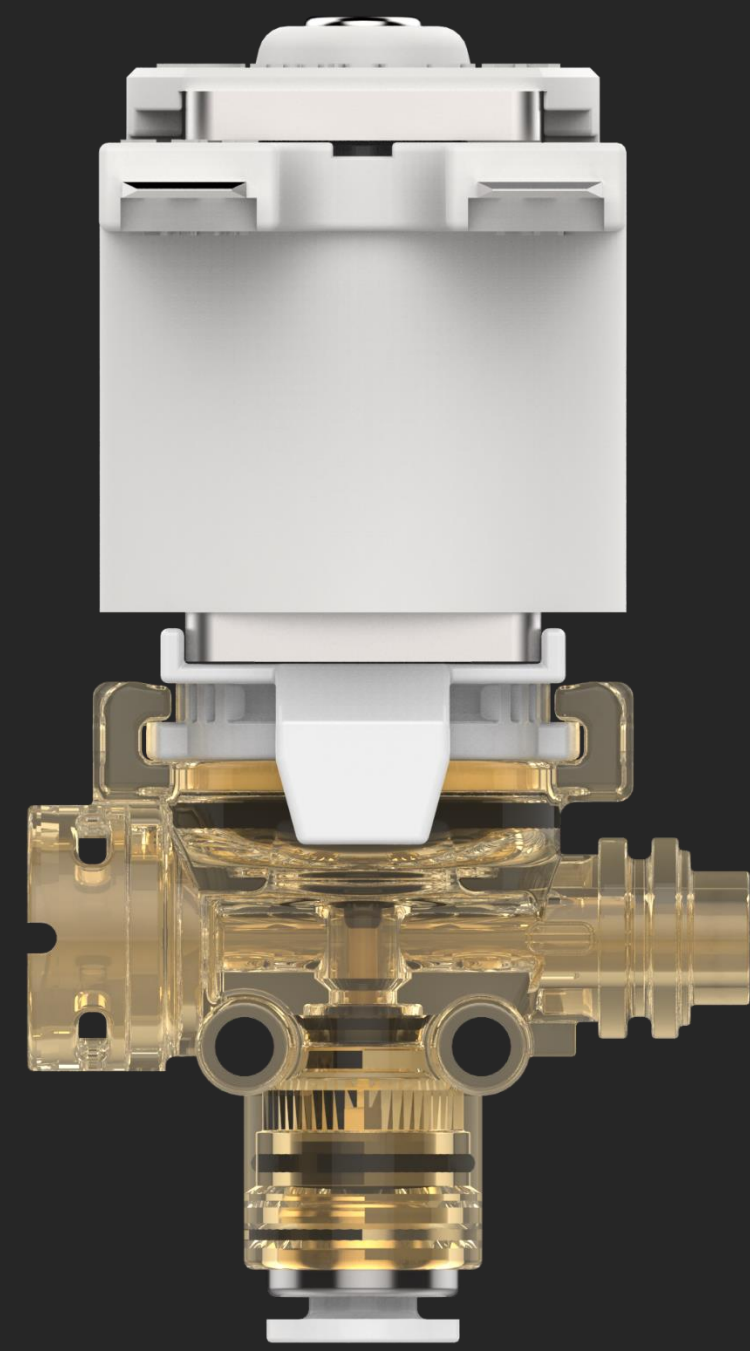

Long-lasting
PPSU polymer

Limescale
& corrosion
resistant

Reduced service
& maintenance
frequency

Media-separated

Interlinkable

Powerful

Self-cleaning

Durable

Compact
